

## 11 WRITE and ILLUSTRATE your own autobiography

Andy and Terry have a big fight and decide never to write together again. Andy sets out to write and illustrate the autobiography he has always wanted to finish. He realizes it's not quite as easy as you first might think.

### Now it's your turn

Write and illustrate an autobiography chronicling your life from the beginning till now. Choose key events in your life that tell the reader something interesting about you. Challenge yourself to tell the whole story in 10 paragraphs or less.
